Cynthia

Deliberative Process/Ex. 5

We can talk later.

Thanks,
Steve

> Attached are some materials we have prepared for the EPA presentation to the County Commissioners next week. One is a list of speakers and topics for the presentation. I've also included Dan Wall's PowerPoint presentation and handout. If you could preload the PowerPoint on your projection system that would be great. Also, if the commissioner's packets have not already been sent, could you include a copy of the handout for them as well?
